

2-G-9 | CONFIDENTIAL RECORDS

Unless another fee to obtain a particular record is prescribed by law, an agency may not charge fees that exceed those in Ch. 119, F.S, when providing copies of confidential records to persons who are authorized to obtain them. For example, in AGO 03-57, the Attorney General's Office advised that persons who are authorized by statute to obtain otherwise confidential autopsy photographs should be provided copies in accordance with the provisions of the Public Records Act, i.e., s. 119.07(4), F.S. The medical examiner is not authorized to charge a fee that exceeds those charges. Id.
