

X-D-98 | EXEMPTION SUMMARY - §405 FS

Section 405.02, F.S.

Research groups, governmental health agencies, medical societies and in-hospital medical staff committees may use or publish released information only for the purpose of advancing medical research or education.

Section 405.03, F.S.

The identity of any person treated or studied as provided in this chapter (relating to medical information available for research) shall be confidential and exempt from s. 119.07(1).
