

RULE 32-3 | BRIEFS - FORM

Only the cover page, a certificate of service, direct quotes, headings and footnotes may be singlespaced. All other typed matter must be double-spaced, including the Table of Contents and the Table of Citations. The court may reject or require recomposition of a brief for failure to comply.

The clerk may exercise very limited discretion to permit the filing of briefs in which the violation of FRAP and circuit rules governing the format of briefs is exceedingly minor if in the judgment of the clerk recomposition of the brief would be unwarranted.

Except as otherwise provided in the preceding paragraph, unless each copy of the brief, in the judgment of the clerk, conforms to this rule and to provisions of FRAP 32(a), the clerk may conditionally file the brief, subject to the requirement that the party file in the office of the clerk a complete set of replacement briefs which comply with FRAP and circuit rules within 14 days of issuance of notice by the clerk that the briefs have been conditionally filed. The clerk's notice shall specify the matters requiring correction. No substantive changes may be made to the brief. The time for filing of the opposing party's brief runs from the date of service of the conditionally filed brief and is unaffected by the later substitution of corrected copies pursuant to this rule.
