

ITEM 7.2.0 | GOVERNANCE

Once the standard is approved, the Data Exchange Workgroup will schedule quarterly conference calls with at least one meeting in-person annually.

Changes to these standards must be approved by the Florida Courts Technology Commission ("FCTC") based on recommendations of the Data Exchange Workgroup before implementation. Requests for changes to these standards will be submitted to the Data Exchange Workgroup via the Office of the State Courts Administrator ("OSCA") and reviewed at the next scheduled meeting and a recommendation will be made to the FCTC.

Volusia County completed a pilot project testing the data exchanges. The documentation can be accessed at <http://app02.clerk.org/menu/ccis/>.

Nonconformance to these standards, once adopted, may be referred to the FCTC.
