

CANON 4B | CIVIC AND CHARITABLE ACTIVITIES

A judge may participate in and serve as an officer, director, trustee, or nonlegal advisor of a nonprofit civic, charitable, educational, religious, or social organization, subject to the following limitations:

(1) A judge should not serve if it is likely that the organization will either be engaged in proceedings that would ordinarily come before the judge or be regularly engaged in adversary proceedings in any court.

(2) A judge should not give investment advice to such an organization but may serve on its board of directors or trustees even though it has the responsibility for approving investment decisions.

Commentary

Canon 4B. The changing nature of some organizations and their exposure to litigation make it necessary for a judge regularly to reexamine the activities of each organization with which the judge is affiliated to determine if the judge's continued association is appropriate. For example, in many jurisdictions, charitable hospitals are in court more often now than in the past.
