

**ADDENDUM C | RETIRED JUDGE**

A judge who is retired under 28 USC §371(b) or §372(a) (applicable to Article III judges), or who is subject to recall under §178(d) (applicable to judges on the Court of Federal Claims), or who is recalled to judicial service, should comply with all the provisions of this Code except Canon 4F, but the judge should refrain from judicial service during the period of extrajudicial appointment not sanctioned by Canon 4F. All other retired judges who are eligible for recall to judicial service (except those in U.S. territories and possessions) should comply with the provisions of this Code governing part-time judges. However, bankruptcy judges and magistrate judges who are eligible for recall but who have notified the Administrative Office of the United States Courts that they will not consent to recall are not obligated to comply with the provisions of this Code governing part-time judges. Such notification may be made at any time after retirement, and is irrevocable. A senior judge in the territories and possessions must comply with this Code as prescribed by 28 USC §373(c)(5) and (d).

**Commentary**

The 2014 amendment to the Compliance section, regarding retired bankruptcy judges and magistrate judges and exempting those judges from compliance with the Code as part-time judges if they notify the Administrative Office of the United States Courts that they will not consent to recall, was not intended to alter those judges' statutory entitlements to annuities, cost-of-living adjustments, or any other retirement benefits.
