

RULE 19 | PROCEDURE ON A CERTIFIED QUESTION

1. A United States court of appeals may certify to this Court a question or proposition of law on which it seeks instruction for the proper decision of a case. The certificate shall contain a statement of the nature of the case and the facts on which the question or proposition of law arises. Only questions or propositions of law may be certified, and they shall be stated separately and with precision. The certificate shall be prepared as required by Rule 33.2 and shall be signed by the clerk of the court of appeals.

2. When a question is certified by a United States court of appeals, this Court, on its own motion or that of a party, may consider and decide the entire matter in controversy. See 28 U.S.C. §1254(2).

3. When a question is certified, the Clerk will notify the parties and docket the case. Counsel shall then enter their appearances. After docketing, the Clerk will submit the certificate to the Court for a preliminary examination to determine whether the case should be briefed, set for argument, or dismissed. No brief may be filed until the preliminary examination of the certificate is completed.

4. If the Court orders the case briefed or set for argument, the parties will be notified and permitted to file briefs. The Clerk of this Court then will request the clerk of the court in possession of the record to certify and transmit it. Any portion of the record to which the parties wish to direct the Court's particular attention should be printed in a joint appendix, prepared in conformity with Rule 26 by the appellant or petitioner in the court of appeals, but the fact that any part of the record has not been printed does not prevent the parties or the Court from relying on it.

5. A brief on the merits in a case involving a certified question shall comply with Rules 24, 25, and 33.1, except that the brief for the party who is the appellant or petitioner below shall be filed within 45 days of the order requiring briefs or setting the case for argument.
