-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------

THE PARTICULARS ARE (If additional space is needed, attach extra sheet(s)):

I believe that I have been discriminated and retaliated against because of my age and disability, and that my identifiable personal information was misused, which is a violation of the Florida Statutes 760.10, Florida Civil Rights Act of 1992 as amended, the Florida Education Equity Act of 1984, the ADA, the ADEA, the Family Rights and Privacy Act of 1974, and Federal Law(s) for the following reasons;

- 1) I was not called for an interview, though I exceeded the minimum qualifications, and applied before the position was closed. Thereafter, Respondent hired a female who was lesser qualified than me.
- 2) I am a female over the age of forty, and Respondent hired a younger female.
- 3) I am a disabled female, and Respondent denied me the position in favor of a female who is not disabled.
- 4) I believe Respondent denied me the position on July 11, 1995, as retaliation for my efforts to advocate for myself in the underlying matter on or about September 15, 1994.
- 5) I believe Respondent made an unfair determination in denying me the position, because the director of the office to which the job is assigned maintains identifiable personal information about me that is not accurate, relevant or complete.
- 6) I believe Respondent unfairly denied me the position, because the director of the office to which the job is assigned has disclosed identifiable personal information about me that is not accurate, relevant or complete, to a third party or parties without my prior knowledge or written consent.

I will advise the agency if I change my address or telephone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures.
