THE PARTICULARS ARE (If additional space is needed, attached extra sheet(s)):

I... A white male officer reported an incident to my supervisor to gain favor and retaliation against me. The supervisor sent me home, telling me to report to personnel. When I reported to personnel they advised me that I could not return to work until I brought a doctor's release stating I was fit to work.

I previously reported an incident on a white male officer to my supervisor. I was accused of refusing to work, sent home, and advised that nothing would be done about the situation unless I filed a sexual harassment complaint against the officer.

I was made to unload a shotgun after another white female officer had made an attempt to unload the weapon and chambered a round instead. I was told by the supervisor that I hurt the white female officers' feelings, by saying, "I didn't chamber the round, she did."
