① AS A Correctional officer internal security is required to conduct security checks to make sure all areas are secured. while conducting security checks I'm always conducting them alone. when this white Sargent conduct the security checks help is rendered to him all the time. I was called one night to conduct his security checks from my assigned post when he has never conducted security checks while I did them. A Grievance was filed and no answer has been given at all.

② I wanted to return to college, so I asked by letter that I be considered that I be put on second shift without rotation and mandatory so it wouldn't conflict with my classes. There is a white officer who is less experienced than I am and he is given this position to help accommodate his school and also given special training privileges. I received no response from my letter of request.

I will advise the agency if I change my address or telephone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures.	NOTARY-- (Required for Filing) SUBSCRIBED AND SWORN TO BEFORE ME
