**THE PARTICULARS ARE** (If additional space is needed, attach extra sheet(s):

**I. PERSONAL HARM:** While on vacation in Daytona Beach Florida during Black College Reunion I believe that we were discriminated against by the Radisson Hotel due to the following reasons: First of all, my friends and I were made to wear a bright neon bracelet for wearing the bracelets were to keep a lot of people out that did not make rooms at the Radisson and to cut down on partying at the rooms.

**II. RESPONDENT'S REASON FOR PERSONAL HARM:** The reasons that we were given for wearing the bracelets were to keep a lot of people out that did not make rooms at the Radisson and to cut down on partying at the rooms.

**III. DISCRIMINATION STATEMENT:** I believe we were discriminated against due to race because there were caucasian people upon our arrival who we did not see with these bracelets on. We also believe that we paid an enormous amount of money for a room in which we could not have guests unless a bracelet was visible.
